

Dear BAC Brothers and Sisters,

Did you know that **AT&T is the only nationwide unionized wireless provider?**

It is. Not only does AT&T have nearly 150,000 organized workers, but the retail employees at the roughly **2,100 AT&T-owned retail stores across the USA are Union members** of the Communications Workers of America (CWA).

Are you paying too much for your wireless or using a non-Union wireless carrier? You may be eligible for AT&T Union-member discounts through Union Plus, including:

- **\$25 waived activation fee** on select devices
- **15% off your monthly service charge** of qualified wireless plans¹ (excludes unlimited data plans)
- **20% discount** on select accessories²

That's why I'm asking you to accept the call or visit you may receive from a CWA member who works at your local AT&T Corporate Retail Store. He or she can help you learn more about the discounts. You can also visit a local store to get your Union discounts.

Have questions? Contact Union Plus at att@unionplus.org or 800-472-2005, ext 888.

Thank you for your support.

In Solidarity,

James Boland
President,
International Union of Bricklayers & Allied Craftworkers
